**Course Description:** The elective will be open to all LSUHSC students. Spanish-speaking faculty members will be recruited to teach specific sessions. Lectures will be combined with mock interviews and exams among the students or with invited “patients”. Class limited to 15 students selected based on Spanish language proficiency.

**Course Dates:** Jan 12-May 5, 2022

**Location and Times of Class:** ZOOM (until further notice). Wednesdays from 4:00-5:30 pm

**Required Text:** None, handouts suggested by faculty posted on Departmental website.
