

“One of the major factors of life is compromise, but the moment you compromise your safety, your health, and your wellbeing you are no longer compromising, but actively harming yourself. So always remember to steal a little joy in any space and place of your life and sell it back to everyone you meet, for twice as high.”

Dwayne J. Crenshaw

“Good luck in this coming 2024-2025 year; times may be touch, but you can do it! Work hard and push through and the outcomes and rewards should follow!”

Katelvnn White

“You will have strengths and weaknesses, failure and success, but don't let the negative define you; rejoice in the positive and live in the present.”

Victoria Rodriguez

“Everyday, show up with purpose, a set goal, and a strong determination to achieve every milestone that you have set for yourself.”
