

Postbaccalaureate Research Education Program in Biomedical Sciences PREP

The goal of the LSUHSC New Orleans PREP is to prepare individuals from backgrounds underrepresented in the biomedical sciences, who have recently completed their baccalaureate science degrees for successful enrollment, retention, and completion of a PhD training program.

PROGRAM DETAILS

A dynamic mentored research experience in a supportive environment characterized by outstanding research resources, a cooperative approach to research, and an atmosphere with the highest level of mutual respect among all students and staff

- One-year research assistantships available
- Salary of \$27,200 for one year
- Extensive mentoring on oral and written skills, career choices, and applying to graduate school
- GRE preparation
- Travel awards to attend scientific conferences
- Funded by the National Institute of General Medical Sciences (NIGMS)

ELIGIBILITY

- United States citizen or a permanent resident
- Obtained baccalaureate degree from an accredited U.S. college or university less than 36 months prior to PREP application date
- Individuals from groups that have been shown to be underrepresented in biomedical research

RESEARCH

Perform Medical Research with a Research Faculty Mentor in 13 Scientific Areas of Expertise:

1. Alcohol and Drugs of Abuse
2. Biochemistry and Molecular Biology
3. Biostatistics
4. Cancer Biology
5. Cardiovascular Biology
6. Cell Biology and Anatomy
7. Dentistry
8. Epidemiology
9. Genetics
10. Microbiology, Immunology, and Parasitology
11. Neuroscience
12. Pharmacology and Experimental Therapeutics
13. Physiology

APPLICATIONS

<http://PREP.lsuohsc.edu>

Open: December 1st

Deadline: March 1st

Notice: April 30th

Start Date: June 1st

1. Completed Online Application Form with
2 Names for Letters of Recommendation
2. Unofficial Undergraduate Transcript
3. Unofficial GRE Scores (if available)
4. Resume or Curriculum Vitae
