

CURRICULUM VITAE
Erin Elizabeth Capone, M.D.
AKA: Erin Capone Carraway

Current Title: Assistant Professor of Clinical Psychiatry

Business Address: 1542 Tulane Ave, 2nd Floor, Rm 242, New Orleans, LA 70112

Business Telephone and Fax: 504-568-6009 (phone); 504-568-6006 (fax)

Business email Address: ecapon@lsuhsc.edu

Home Address: 4617 Prytania Street, New Orleans, LA 70115

Home Telephone or Fax: 504-265-8028 (phone)

Birthdate and Birthplace: 04/14/1981; New Orleans, LA

Spouse and Children: Richard "Trey" Carraway III (spouse); Richard "Rex"
Carraway IV (8), Maddox Carraway (6), Sidney Carraway (4)

Citizenship: United States of America

Education:

Undergraduate:

LSU Honors College, Baton Rouge, LA; 08/1999-05/2004
Bachelor of Science in Psychology, cum laude; 05/2004
Bachelor of Arts in Sociology, cum laude; 05/2004

Graduate/Medical:

LSUHSC-NO; 08/2005-05/2009; Doctor of Medicine

Internship:

LSUHSC-NO Adult Psychiatry Residency Program
07/01/2009- 06/30/2010

Residency:

LSUHSC-NO/Ochsner Adult Psychiatry Residency Program
07/01/2010-06/30/2013

Other: (Career Development Courses)

05/2013: APA's Buprenorphine and Office-Based Treatment of Opioid

Dependence

11/2018: NetCe “Effective Opioid Prescribing”

Certification:

05/13/2013: APA’s Buprenorphine and Office-Based Treatment of Opioid Dependence

09/15/2014- present; Board Certified in Adult Psychiatry by the American Board of Psychiatry and Neurology

11/20/2018: NetCe “Effective Opioid Prescribing”

Licensure:

06/2012- present: Louisiana, MD.205517

11/2012- present: Louisiana, FC3721241

12/2012- present: Louisiana, CDS.042648-MD

07/2009- present: Louisiana, 1871734830

07/2015- present: Louisiana, XC3721241

Academic, Professional, and Research Appointments:

07/01/2013- 10/22/2014: Townsend LA Recovery Center, part time staff psychiatrist

07/11/2013- 08/31/2016: Jefferson Parish Human Services Authority, part time staff psychiatrist

09/04/2014- 06/30/2016: LSUHSC-SOM-NO part time Clinical Assistant Professor of Psychiatry

07/01/2016 -present: LSUHSC-SOM-NO Assistant Professor of Clinical Psychiatry

Membership in Professional Organizations:

07/2009- present: APA (American Psychiatric Association); member

07/2009-present: LPMA (Louisiana Psychiatric Medical Association); member

04/2017- present: ADMSEP (Association of Directors of Medical Student Education); member

10/2019- present: AADPRT (American Association of Directors of Psychiatric Residency Training); Member

Awards and Honors:

06/2013: Gene L. Usdin, MD Award for Excellence in Psychiatry Residency Training

TEACHING EXPERIENCE AND RESPONSIBILITIES

Course/Clerkship/Residency or Fellowship/CME Directorships

09/2016-present: LSUHSC-SOM-NO Psychiatry Clerkship Director

As director of this 6-week core clerkship in the third year of medical school, I oversee/update the curriculum and site assignments, attend clerkship directors' meetings at least monthly, communicate with branch sites (Baton Rouge and Lafayette,) and orient around 25 students every 6 weeks. The chairman and I meet with the students every block for clerkship feedback. I integrated several new primary and secondary sites- including child psychiatry consults, forensics, and the BHER. I updated didactics by videotaping all lectures, telecommunicating with Lafayette for TBLs, creating a clinical skills evaluation, and adding various resources- including a shelf review- to our moodle page. I also added voluntary experiences such as ECT shadowing and a forensic psychiatry court visit. I maintain current awareness of medical student education by attending the annual ADMSEP (Association of Directors of Medical Student Education) conference, and other conferences such as Mayo Clinic's "Be a Better Educator" Webcast. I was heavily involved in LCME accreditation preparation and site visit in 11/2017. The director must be flexible and resilient; I am currently involved in major curriculum adjustments and adaptations due to COVID-19.

09/2016-present: LSUHSC-SOM-NO Director of Medical Student Education in Psychiatry

The Director of Medical Student Education in Psychiatry is responsible for the oversight of the third-year clerkship and the 4th year medical school rotations. I review and update the course catalogs annually, and I added a forensic psychiatry elective, as well as a BHER elective, and a "sampler" elective involving a week on the BHER, a week on addiction, and 2 weeks on CL service. I also created a virtual 4th year student elective in 05/2020. I review all VSAS applications and offer rotations as fit. I help students in 4th year schedule planning if requested by the student. As director, I am co-chair of the Bick Award Selection Committee, the Student Intern Educator of the Year Committee, and the Resident Student Educator of the Year Committee.

05/2018-present: LSUHSC/Ochsner Adult Psychiatry Residency Program- Associate Director of Recruitment

The Associate Director of recruitment is responsible for keeping track of all students interested in psychiatry- from home and away schools. In this position, I have worked with staff and residents to update the recruitment process as needed. For example, we updated our interview day power point, and overhauled our interview process- we added a "meet and greet" between the residents and applicants during a journal club, and now have lunch with all the residents at one of our clinics. Other responsibilities include reading all applications of students invited for interviews, interviewing at least half of the candidates and participating in the rank order meetings. General duties include attending weekly meetings with directors and chief residents, monthly meetings with the directors, chiefs, and class representatives, bi-annual Curriculum Evaluation Committee meetings, and annual Resident Promotions Committee Meetings.

Curriculum Development/Implementation

03/2020- present: Developed a psychiatry clerkship and 4th year rotations to be entirely remote/virtual due to COVID-19 and developed a plan for students to transition back onsite while meeting guidelines of government, school, and site.

Creation of Enduring Teaching Materials

06/2017- present: Crisis Prevention and De-Escalation:

30-minutes annually

I created this interactive course with a power point as part of the incoming L3's "bootcamp" to prepare them for the third year of medical school.

06/2017- present: The Clinical Skills Evaluation:

1.5-hours every 6 weeks

As psychiatry clerkship director, I created a new graded aspect and integrated it into the clerkship. Each student in each block must be graded as the student performs and initial psychiatric evaluation on a patient. The student then presents the patient to the attending physician and formulates a differential diagnosis.

05/2019- present: Motivational Interviewing TBL:

2-hours annually

As part of the Human Behavioral Development course taken by the 1st year medical students, I created a power point and TBL, delivered on 05/08/2019 (also delivered as a lecture on 05/12/2020 due to COVID-19 restrictions, but is planned to be an annual TBL.)

08/2019-present: Motivational Interviewing Course:

1-hour weekly x every 6 months

As part of the PGY-1 didactic curriculum, I created a motivational interviewing course to be delivered at a resident level of knowledge and training. It is an interactive didactic, including videos and practice role play.

05/2020- present: LSU Department of Psychiatry Virtual Senior Elective:

4 weeks in duration during senior blocks 1-8, to 2 students per block.

As part of the effects of COVID, students could not rotate in person at LSUHSC-NO from outside institutions. I created this 4-week long virtual elective which showcases sections of psychiatry we have at LSU, the student is to pick 4 from: General Adult Inpatient Psychiatry, Behavioral Health Emergency Room Extension (BHERE), Consultation-Liaison Psychiatry, Child/Adolescent Psychiatry, Addiction Psychiatry, and Forensic Psychiatry. The student will virtually spend a week in each of the chosen 4 sections. In addition to a welcome tutorial by the clerkship director, an overview of the program by the residency program director, and a meet/greet with the chiefs, the student will attend intern didactics and Grand Rounds. There will be weekly check-ins with the clerkship director, and an exit/parting discussion.

Formal Course Responsibilities

07/2008-06/2009: LSUHSC-SOM-NO critical concepts psychiatry simulation lab:

3 hours per month for 12 months

Helped develop a script for 2 simulation cases and was an “actor” in both case videos. Facilitated and proctored both cases monthly.

09/2016-present: LSUHSC-SOM-NO Psychiatry Clerkship Orientation:
2 hours every 6 weeks
Orient the 3rd year psychiatry clerkship students with review of the syllabus, review of the psychiatry moodle page, and a practice TBL on “The Psychiatric Interview.” The students are also reminded of safety precautions. There is time for a question/answer session. Any site-specific details are provided, as well as confirmation of contact information.

09/2016- present: LSUHSC-SOM-NO Mood Disorders TBL:
2 hours every 6 weeks
Proctor/administer this TBL to every block of 3rd year medical students, questions are updated as needed.

09/2016- present: LSUHSC-SOM-NO Cognitive Disorders TBL:
2 hours every 6 weeks
Proctor/administer this TBL to every block of 3rd year medical students, questions are updated as needed.

Departmental/Interdisciplinary Teaching Conferences

07/2009 and 09/2009: Morning Report:
Every 4th morning of internal medicine wards rotations presented a case of a patient who was admitted to our team during our overnight call. Audience was other internal medicine staff and residents.

04/2010: Presenter; LSUHSC-NO/Ochsner Psychiatry Residency Program Case Conference: “Obsessive Compulsive Disorder”

08/2012 and 03/2013: Presenter; LSUHSC-NO/Ochsner Psychiatry Residency Program Grand Rounds: “Perinatal Psychiatric Disorders”

10/2014: Supervisor; LSUHSC-NO/Ochsner Psychiatry Residency Program Case Conference: “Bipolar I or Bipolar II?”

11/2014: IPQIPS (Interprofessional Quality Improvement Seminar)
“TB or not TB”

06/2016: IPQIPS (Interprofessional Quality Improvement Seminar)
“Mental Health for Mental Health Professionals”

07/2016: LSUHSC-NO/Ochsner Psychiatry Residency Program SWOT Analysis:
Presented a detailed analysis of LSUHSC’s Residency Program with compatible Programs within the country to the Department of Psychiatry faculty during the Bi-annual curriculum meeting.

10/2016: Supervisor: LSUHSC- NO/Ochsner Psychiatry Residency Program Case Conference; “Out of the Box: Evaluation and Treatment of Atypical Psychosis.”

- 05/2017: IPQIPS (Interprofessional Quality Improvement Seminar)
“Burnout: Affecting Everyone”
- 09/2017: Supervisor: LSUHSC-NO/Ochsner Psychiatry Residency Program Case
Conference; “Chronic Schizophrenia: The Perfect Storm.”
- 09/2018: IPQIPS (Interprofessional Quality Improvement Seminar)
“Handoffs and How to Improve Them”
- 10/2018: LSUHSC-SOM-NO “Psychopharmacology for Psychology Interns”
- 11/2018: Presenter: LSUHSC-SOM-NO “Motivational Interviewing for Hotspotters”
an LSUHSC student-organized and staff-sponsored patient outreach program
called Hotspotters, which aims to decrease ER visits for reasons that could
be resolved at level of outpatient follow up care.
- 03/2019: Supervisor: LSUHSC-NO/Ochsner Psychiatry Residency Program Case
Conference; “Fire in the Hole: Case Report of a Psychotic Former Prisoner”
- 10/2019: Supervisor: LSUHSC-NO/Ochsner Psychiatry Residency Program Case
Conference; “Thinking Outside the Box: Going off-label for an Unconventional
Psychiatric Patient.”
- 02/2020: Supervisor: LSUHSC-NO/Ochsner Psychiatry Residency Program Case
Conference; “Peripartum Psychosis”

Teaching Awards:

- 06/2015: Faculty of the Year Award in Adult Psychiatry,
LSUHSC School of Medicine, New Orleans

Undergraduate, Medical, or Graduate Students Trained:

- 03/2020- present: Casano, Kelsey. Research advisor and co-author case report: “A
Catatonic Patient’s Electroconvulsive Therapy is unexpectedly
Cancelled Due to the Coronavirus Pandemic”
Submitted for publication to *Clinical Psychiatry* on 05/09/2020

RESEARCH AND SCHOLARSHIP

Journal Publications:

Referred

- 08/02/2020; **Capone, Erin**, Casano, Kelsey. “A Catatonic Patient’s
Electroconvulsive Therapy is Unexpectedly Cancelled Due to the Coronavirus
Pandemic”. *Clinical Psychiatry*, In-press

Medical Racism*, eds. Kate Kelley and Kaleea Lewis (U of Missouri)

2022 (accepted); **Capone, Erin**, and Tripp-Bodola, Ronja, "Intersectionality and Mental Health", in: Palgrave Encyclopedia of Health Humanities, eds. P. Crawford, P. Kadetz, M. Stanley-Baker, London et al.

Invited Presentations and Seminars:

04/2013: "Perinatal Psychiatric Disorders"; Grand Rounds at Touro Hospital

01/2019: Live Interview on Fox 8 Noon Broadcast; topic- "Anxiety"

06/2019: Live Interview on Fox 8 Noon Broadcast; topic- "Bipolar Disorder"

International Invitation: *Cancelled due to COVID-19*

04/15-17/2020: Aldous Huxley in France Symposium. Seventh International Aldous Huxley Symposium, University of Toulon, Campus La Garde, TOULON France

SERVICE ACTIVITIES

University/Institutional Service:

Departmental committees

2016-present: LSU Department of Psychiatry Intern Student Educator of the Year Committee (Co-chair)

2016- present: LSU Department of Psychiatry Resident Student Educator of the Year Committee (Co-chair)

2016-present: John C. Bick Annual Award Committee (Co-chair)

2018-present: LSU Department of Psychiatry Grand Rounds of the Year Committee, Voting member

2018- present: LSU Department of Psychiatry Case Conference of the Year Committee, Voting member

2018- present: LSUHSC-NO/Ochsner Residency Program Recruitment Committee (Co-chair)

2018- present: LSUHSC-NO/Ochsner Psychiatry Residency Candidate Rank Order Committee, Voting member

2018- present: LSUHSC-NO/Ochsner Psychiatry Residency Intern Milestones Committee, Voting member

2018- present: LSUHSC-NO/Ochsner Psychiatry Residency Resident Milestones Committee, Voting member

2019-present: LSU Department of Psychiatry Poster Presentation of the Year Committee, Voting member

School committees

- 2018- present: LSUHSC-SOM-NO (junior/senior) Student Promotions Committee, Member
2020- present: COVID-19/Clerkship Directors' Subcommittee, Member

Special assignments – ad hoc task forces/working groups, projects, etc.

2018-2019:

4 hours/month

Hotspotters Faculty Advisor/Sponsor and Presenter

05/2020- present:

2 hours/week

LSU Psychiatry COVID-19 Mental Health Support Line for First Responders

National Service:

Professional society committee

05/2020- present: ADMSEP Committee on Psychiatry Clerkship and COVID-19 Leadership

Clinical Service:

In-patient service activities

08/2014-06/2018 and 07/2019-present: Attending on UMC inpatient psychosis unit (admitting service), 4-5 hours/day, 5 days/week

In-patient service activities, continued

07/2016- 06/2018: BHER consults: Psychiatry consults on patients in the UMC emergency room or the BHER. 5-6 hours/day, 4 days per week

07/2018- 06/2019: BHER consults: Psychiatry consults on patients in the UMC emergency room or the BHER. 8-9 hours/day, 5 days per week

07/2019- present: BHER consults: Psychiatry consults on patients in the UMC emergency room or the BHER. 4-5 hours/day, 2-3 afternoons/week

Call

08/2014- present: 48-hour weekend call once every other month covering UMC psychiatry. 6-8 hours in the hospital on each weekend day on call, and available by phone to talk and/or return to the hospital for all 48 hours.

Administrative Responsibilities:

Departmental

09/2016- present: LSUHSC-SOM-NO Psychiatry Clerkship Director:
The psychiatry clerkship is a 6-week core clerkship in the third year of medical school. In addition to regularly scheduled clerkship directors' meetings, the director oversees curriculum and site assignments, works closely with students, staff, and branch sites, and regularly meets with the Aesculapian Society, Department chair, and students for feedback to maintain a positive learning experience. The director ensures that the program is LCME compliant and ready for site visits and must be able to quickly adapt the curriculum as needed.

05/2018- Present: LSUHSC/Ochsner Psychiatry Residency Program- Associate Director of Recruitment:

The associate director of recruitment keeps track of all students who are interested in psychiatry as a career, participates in bi-annual residency planning days, works with staff and residents to update the recruitment process as needed, interviews recruits, and participates in the rank order meetings. General duties include attending weekly meetings with directors and chief residents, monthly meetings with the directors, chiefs, and class representatives, bi-annual Curriculum Evaluation Committee meetings, and annual Resident Promotions Committee Meetings.

School

09/2016- present: LSUHSC-SOM-NO Director of Medical Student Education in Psychiatry:

The Director of Medical Student Education in Psychiatry is responsible for of the oversight of third-year clerkship and the 4th year medical school rotations by updating the course catalogs annually, reviewing VSAS applications, and offering rotations as fit. The director meets frequently with 3rd and 4th year students to assist in residency planning and frequently writes Letters of Recommendation. The director is co-chair of the John C. Bick Award Selection Committee.

Community Service Activities:

2015-2018: NAMI (National Alliance of Mental Illness) Annual Walk, participant

04/2017: National Center for PTSD Psychological First Aid Training

10/2017: SAFE Zone Training
