Community Outreach Direct Fundraising: The Department has been successful in gaining support for our community outreach programs for the past eleven years, through an annual fundraising event, “Sunday at Emeril’s” and through grant support from local corporations and foundations.

- 1991-1999 Rosa Keller Campus - A consortium of all 8 local colleges and universities provides older adults with the opportunity to participate in high quality educational experiences. It has been recognized by the U.S. Senate for its outstanding and innovative educational programming tailored specifically to complement the challenges of the older adult learner. Funded by local foundations and donors through the Touro Infirmary Foundation.
- 1992-Present Violence Intervention Program (VIP) - The Violence Intervention Program for Children and Families (VIP) was developed in 1992. VIP aims to decrease violence through a combination of intervention and services to victims, and education and prevention forums for police, parents, and children. An initial key component of the program is education of police officers about the effects of violence on children and families to increase their knowledge and sensitivity when dealing with violent incidents
- 1992-1995 Curfew Counseling Services and Hotline for the Mayor’s Curfew Center - Provision of counseling and a 24-hour referral hotline to help parents, guardians, law enforcement officials and youth with curfew-related problems.
- 2000-Present Youth Leadership Program - A program developed with Charles C. Foti Jr, Orleans Parish Criminal Sheriff, Judge Ernestine Gray, Orleans Parish Juvenile Court, and Moise Steeg, Jr. to provide after school and weekend structured, educational, counseling and mentoring activities for first time nonviolent juvenile offenders and at risk youth from the New Orleans Public Schools.
- 1996-Present Harris Center for Infant Mental Health - Infant mental health training for mental health professionals and para-professionals in the community who come into contact with and Provide services for infants and toddlers (0-4). The Harris Center is one of 8 programs in the U.S. that comprise a Professional Development Network. The other universities and medical centers making up the Network are: Yale University Medical Center, Boston Medical Center, University of Minnesota, Erikson Institute (affiliated with the University of Chicago), Jewish Family Services in New York, University of Colorado Medical Center, University of California Medical Center-San Francisco.
