

Senior Rotation Offerings

2018 - 2019

Class of
2019

Louisiana State University Health Sciences Center

School of Medicine
Office of Student Affairs and Records
2020 Gravier Street
New Orleans, Louisiana 70112

Seniors are expected to complete 8 course requirements:

- **Critical Concepts (MCLIN 400)**

The Critical Concepts rotation provides exposure to critical topics in patient care, procedural skills, medical knowledge, and disease management using a variety of teaching modalities: traditional didactics, patient simulations, on-line interactive modules, quizzes, and direct clinical experience in emergency and ICU settings. This rotation provides every senior medical student, regardless of career choice, with a broad and solid foundation in the principles and skills needed to care for acute and emergency patients. Having completed their core junior rotations, senior students will be challenged to apply their skills and knowledge to more complicated and critical patient care situations. This rotation will also provide senior students with the opportunity to refine and expand their skills in commonly performed procedures and medical interventions. Furthermore, senior students will develop a more sophisticated understanding of their upcoming roles as resident physicians with increased responsibility to individual patients, to health care team, and to the health care system.

- **Primary Acting Internship (419)**

- **Secondary Acting Internship (417 or 418)**

The Primary and Secondary Acting Internship provides senior students with the opportunity to begin functioning as interns. Students will develop additional skills in all areas of core competence. Particular emphasis is given to improving skills of clinical judgment and decision making by giving students more responsibility for patient care than they had in the third year. Students are encouraged to take increasing amounts of responsibility while under the close supervision of staff and faculty. In addition to patient care skills, students will also enhance their communication skills, and develop a better appreciation of systems based practice due to their involvement as a more prominent member of the health care team. Students will continue to increase their medical knowledge and skills of practice-based learning through reading, faculty feedback, and attendance at conferences and didactic sessions.

- **Elective (420, 498, or 499)**

There are a broad number of electives offered to support every students' learning experience. Students must complete 4 elective rotations.

- **Special Topics (SPTP 400)**

This one-week course contains very practical information for seniors as they make final preparations for residency: financial management and loan repayment, malpractice insurance, practice management, legal advice for physicians, end of life care, substance abuse among physicians, etc.

**Seniors are encouraged to plan a curriculum that positions them well for the residency match, but that is also balanced enough to prepare them for internship. Students may take up to 4 rotations in a single discipline (e.g. AI plus 3 electives in the same field), but they must choose a different field for their last elective. If a student wishes to do 5 rotations in a single discipline, he or she must use one of their independent study months.*

**Students have 4 independent study/interview/off rotations to study for USMLE exams, prepare residency applications, interview for residency programs, and to take some vacation time.*

2018 – 2019
 L4 Block Dates

Block 1	July 2, 2018 – July 27, 2018
Block 2	July 30, 2018 – August 24, 2018
Block 3	August 27, 2018 – September 21, 2018
Block 4	September 24, 2018 – October 19, 2018
Block 5	October 22, 2018 – November 16, 2018
Block 6	November 19, 2018 – December 14, 2018
Block 7	December 17, 2018 – January 11, 2019 <i>Limited Number of Rotations Offered</i>
Block 8	January 14, 2019 – February 8, 2019
Block 9	February 11, 2019 – March 8, 2019
Block 10	March 11, 2019 – April 5, 2019
Block 11	April 8, 2019 – May 3, 2019
Block 12	May 6, 2019 – May 10, 2019 <i>Special Topics</i>

During Phase 2 and Phase 3, please allow 1 week for status notifications. For submissions beginning May 1st, please allow 24 – 48 hours to receive the New Innovations' notification status of submitted requests.

Submit Requests

Family Medicine

To schedule a Primary AI in Family Medicine:

1. Contact one of LSUNO's four residency programs for availability:
 - i. LSU Family Medicine Residency Program at Ochsner Medical Center – Kenner
 - i. Kenner, LA
 - ii. Beth Sutton @ eburro@lsuhsc.edu
 - ii. LSU Rural Family Medicine Residency Program at Our Lady of the Angels Hospital
 - i. Bogalusa, LA
 - ii. Susan Pieno @ spieno@lsuhsc.edu
 - iii. LSU Family Medicine Residency Program at University Hospital and Clinics
 - i. Lafayette, LA
 - ii. All preliminary requests are submitted via New Innovations for Lafayette
 - iv. LSU Family Medicine Residency Program at Lake Charles Memorial Hospital
 - i. Lake Charles, LA
 - ii. Alena Hurd @ ahurd@lcmh.com
2. Once you receive site approval (*both in clinic and housing, if applicable*) email your request to the Family Medicine Director of PreDoc Education, Dr. Pam Wiseman @ pwisem1@lsuhsc.edu for final departmental approval. Please Include:
 - i. Your Name
 - ii. Block #
 - iii. Course Name and Number (i.e. FMMD 419 Required AI)
 - iv. Location
3. Then forward your confirmation from Dr. Wiseman to Dr. Robin @ krobi2@lsuhsc.edu for approval in New Innovations.

If for any reason you cancel your rotation, please be sure to inform the residency coordinator at the rotating facility immediately so that your slot can become available to another student.

To schedule a Secondary AI or Elective in Family Medicine

1. Contact the desired location to ensure space and housing, if applicable.
2. Once approval has been received from the desired site, please send Dr. Wiseman an email requesting final approval.
3. Then forward Dr. Wiseman's approval to Dr. Robin in Student Affairs.

Away Rotations

In addition to submitting the required documentation through the VSAS portal, students must also receive approval from the corresponding department at LSU.

Process:

1. After accepting an away rotation, submit the request in New Innovations (NI)
2. Complete an Away Rotation form and be sure to attach/insert the description of the course.
3. Submit the form to the corresponding department at LSU for approval
4. Submit the approved form to the Office of Student Affairs

Away Approval Departmental Contact List

Department	Contact	Email Address
Anesthesiology	Dr. Alan Kaye	akaye@lsuhsc.edu
Dermatology	Ms. Sherilyn Munoz	smunoz@lsuhsc.edu
Emergency Medicine	Dr. Jennifer Avegno	javegn@lsuhsc.edu
Family Medicine	Dr. Pamela Wiseman	pwise1@lsuhsc.edu
Internal Medicine	Ms. Kelly Rauser	kraus1@lsuhsc.edu
Internal Medicine and Pediatrics (MED-PEDS)	Dr. Betty Lo	blo@lsuhsc.edu
Neurology	Ms. Krystal Fisher	kfish8@lsuhsc.edu
Neurological Surgery	Ms. Jennifer Bordelon	jbord7@lsuhsc.edu

Psychiatry	Ms. Erina Rivarde	erivar@lsuhsc.edu
Radiology	Ms. TuVy Nguyen	tngu77@lsuhsc.edu
Surgery	Ms. Melanie Collins	mcol17@lsuhsc.edu
Urology	Ms. Laura Tyler-Maneaux	ltyler@lsuhsc.edu

How many weeks are in each rotation?

- Each rotation consist of 4 weeks.

What is FLEX?

- FLEX is the designated rotation to schedule an “off” month.

The dates of a 4-week Away Rotation that I am interested in do not coincide with the LSU Block dates.

Can I still apply for that rotation?

- Absolutely. However, you will have to utilize a FLEX month to accommodate the off-sequence Away Rotation.

Should I contact departments to receive approval for my requested rotations?

- Unless noted, we kindly ask that you do not reach out to various department for rotation approval. The office of Students Affairs will work very closely with each department to approve all rotation requests.

After I am approved for a rotation, how do I know where to report?

- Once receiving approval for a requested rotation, all departments will be made aware of student assignments. In the upcoming weeks prior to the rotation, departments will contact all students regarding rotation details.

Do I need to submit anything at the end of my rotation?

- Yes! At the end of each rotation, students should promptly request an evaluation via New Innovations. If you participated in an Out of System rotation, a paper evaluation should be completed.

I am active on a rotation, but the rotation is not listed on New Innovations or Academic Self-Service.

What should I do?

- Please contact the Office of Student Affairs immediately! LSUHSC does not provide medical malpractice coverage for rotations that have not been properly approved.

I was approved for a rotation, but I have decided that I would like to submit a different rotation request.

Am I allowed to change rotations?

- Sure! Just be aware that the sooner requests are submitted, the greater the chances are for approval by the department. Untimely requests are up against capacity limits and credentialing delays. As a general rule, we urge students to submit requests at least 8 weeks before the start of the Block.

Who should I contact regarding rotation request, away rotations, and senior evaluations?

- Please contact:
Mrs. Melanie Brown – Visiting Student Application Service (VSAS)
Mrs. Carolyn Calvin – Senior Evaluations
Dr. Kourtne Robin – Senior Rotation Requests

**Away Rotation and Research Elective
Approval Form**

Student's Name: _____ Today's Date: _____

Type of Rotation: Secondary Acting Internship Elective Research Elective

Course Title: _____

Department: _____ Contact Number: _____

Preceptor: _____
