Dear Industry Leader,

On behalf of the Department of Surgery at LSU Health New Orleans, we are pleased to invite you to exhibit at one of our Weekly Grand Rounds. These educational conferences are attended by Department of Surgery faculty members and attending surgeons, surgical residents, fellows, medical students, and other healthcare leaders and professionals.

The goals of the Department of Surgery's Weekly Grand Rounds are to:

- Present current evidence-based practices in the diagnosis and management of common and complex surgical conditions to enhance clinical decision-making and patient care;
- Explore updated surgical techniques and innovations that improve operative outcomes, reduce complications, and advance procedural efficiency;
- Evaluate multidisciplinary approaches to perioperative care that optimize patient safety, coordination of care, and recovery;
- Integrate emerging guidelines and research findings into daily surgical practice to support continuous improvement in clinical performance and patient outcomes.

For an **exhibit fee of \$500**, your organization will receive exclusive and dedicated exhibit space in the lobby immediately outside the Grand Rounds auditorium, providing an optimal opportunity to showcase your products and services and engage directly with nearly **160 healthcare professionals**.

Your support helps advance resident education, research, and other academic initiatives within the LSUHSC Department of Surgery. Through your partnership, you will be contributing to innovation, training, and excellent in patient care, while helping shape the future of surgical care in our region.

Payment may be made by check or credit card. To pay online, please visit our [website](#).

We appreciate your consideration and support of our Weekly Conferences. If you need any additional information or documentation to complete your registration, please contact **Hailee Pellegrin** (hpelli@lsuhsc.edu) at or 504.568.2353.

We look forward to the opportunity to partner with you. Thank you in advance for supporting the educational mission of the LSUHSC Department of Surgery.

Sincerely,

Malachi Sheahan, MD, FACS
