LSU Pediatrics Announcements

Congratulations to our 2024-2025 Chief Residents

Dr. Karleigh Barkemeyer

Dr. Amanda Granier

Please join our residency leadership team in congratulating the **future Chief Residents** of our LSU Pediatric Residency Program (2024 - 2025 Academic Year).

Karleigh is a graduate of the LSU Health Sciences Center in Shreveport, and Mandy is a graduate of the LSU Health Sciences Center in New Orleans. Both have demonstrated strong clinical abilities, leadership skills, and a commitment

to the success of our residency program. The Chief Residents are an integral part of our residency leadership team - responsible for program administration, resident education, recruitment efforts, and much more. We are excited to have both Dr. Barkemeyer and Dr. Granier accept this position and look forward to working with them more in the future!

Alexis Morvant Selected as Chairperson for AAP Advocacy Subcommittee

Dr. Alexis Morvant has been selected to serve as the Chairperson for the American Academy of Pediatrics Section of Hospice and Palliative Medicine Advocacy Subcommittee. This committee assists the Executive Committee and AAP Advocacy team in increasing awareness of policy impacting children and families with hospice and palliative care needs, creating opportunities for advocacy education and training for pediatric palliative medicine providers, and bridging communication and collaboration between AAP and other national organizations with vested interest in legislation pertinent to pediatric palliative medicine. Keep up the good work, Dr. Morvant!

Congratulations, Shubho Sarkar and Family

Welcome to Nina Jeannette Sarkar who came into the world on January 20th to Hospitalist Shubho Sarkar and proud wife Stephanie. Many congratulations on growing your family with the birth of your new bundle of joy!

Study Opportunity: Exploring Physician Experiences with and Perceptions of Communities of Practice

We are seeking physicians to participate in a research study with the purpose of better understanding physician experiences with sense of belonging in groups in which they work and obtain faculty development, sometimes called communities of practice. Participation is open to all physicians who have completed training and have Children's hospital of New Orleans as your primary clinical location.

Participation in this study involves:

A focus group lasting approximately 1 hour with 3-7 other physicians
There are no benefits to participating in this study

The Focus Group will take place in the CHNOLA small meeting rooms:

Thursday January 26, 2023 12-1pm

Please contact [Dr. Amy Creel](#) to express your interest in participating. Click [here](#) for more information.

2023 Crescent City Potpourri

Share your experience in the depths of Pediatric Practice! Anyone interested in presenting at the 2023 AAP State Conference in New Orleans is invited to complete the call for proposals through the link below.

<https://www.laaap.org/2023-crescent-city-potpourri-proposal-form/>

Submission Deadline: February 1, 2023

Contact Julia Vanchiere at julia.vanchiere@laaap.org or **(225) 379-7923** for more information. Click [here](#) to view the full invitation.

2023 LA CaTs Underrepresented Minority Roadmap Scholars Program

The Louisiana Clinical and Translational Science Center is committed to advancing the diversity among the scientific workforce in Louisiana and the research and career development of all people. Despite tremendous advancements in scientific research; information, education, and research opportunities are not equally available to all. To ensure equal access to training opportunities, The LA CaTS Professional Development Core is pleased to announce a request for applications for the **LA CaTS 2023 Underrepresented Minority Award**.

One UMRS will be chosen each year. Applicants should hold an MD, DO, PhD, DDS, or PharmD. Applicants may be current members of the faculty or candidates for appointment to the faculty (prior to July 1, 2023) at any LA CaTS Institution. An in depth overview of the program and application

instructions can be found [here](#). For questions, contact the LA CaTS Professional Development Core at CareerDevel@LACaTS.org.

Application Deadline: Thursday, February 1, 2023, 5pm

2023 Faculty Annual Performance Evaluations

LSU School of Medicine is devoted to your success and as such, is committed to a performance feedback process for ongoing improvement. Faculty members have received several emails with information related to the Annual Faculty Performance Evaluation Process, one from Human Resources and the other from the LSU Dean's office outlining the purpose and process. All faculty must have an evaluation form completed by their direct supervisor (Division Head, Chair, Dean, etc.) and submitted to LSU Human Resources.

For Division Heads:

1. Please complete the [evaluation form](#) for each division member using Adobe Acrobat
2. Return to Kelly Allerton (kslumb@lsuhsc.edu) by **March**

13th. (Department must upload all forms by March 15th).

3. To assist with completion, there are training videos and sessions
4. There are 6 categories of performance, of which the first 3 have modifiable percent effort and must total 70%.
5. The score range is 1 - 5; note, a score of 1, 4, and 5 require comments; an overall total score of 5 warrants a second reviewer (Chair signature)
6. Please meet and review with your faculty; both of you must sign the form.

For Faculty:

1. Read the [evaluation form](#) and consider completing a self-evaluation to enhance your professional development.
2. For those of you who do not have a current Division Head, Dr. Desselle will complete your evaluation

Note for all: this does not replace the annual faculty review form which will be conducted at the end of the academic year and is a necessary component of the promotion process.

Contact [Dr. Bonnie Desselle](#) for questions

Louisiana Provider to Provider Consultation Line (PPCL)

The [Louisiana Provider-to-Provider Consultation Line \(PPCL\)](#) is a no-cost consultation and education program that assists pediatric healthcare providers in addressing the behavioral and mental health needs of patients ages 0-21. The consultation line allows providers to call or email with Mental Health Consultants and on-call psychiatrists to ask questions about behavioral health, diagnostic criteria, and medication management. Providers also have opportunities to earn CEUs/CMEs through PPCL's [TeleECHO](#) series.

Register and learn more at ldh.la.gov/ppcl. Providers can contact PPCL by calling **(833) 721- 2881** or emailing ppcl@la.gov.

FACULTY DEVELOPMENT

New video monthly

January Video: Thinking Like a Doctor

How do we teach learners to "Think Like a Doctor"? How do we help learners get from data to diagnosis and treatment? How do we teach Clinical Reasoning Skills? This video (8 minutes) breaks down how experts synthesize information to make medical decisions, and how we can teach our medical students and residents to move past "novice" thinking patterns. Let's kick off 2023 with a renewed commitment to excellence in medical education!

<https://vimeo.com/73003540>

Please send any suggestions or areas of faculty development need to acree1@lsuhsc.edu.

CHNOLA Announcements

Hybrid Grand Rounds

*Participants can join Grand Rounds in the Hospital Large Conference Rooms or online.
A limited number of lunches will be provided for participants in the Large Conference Room, so please arrive early!*

For those who prefer an Outlook Calendar Reminder for Grand Rounds, please click [here](#) for directions that walk you through creating a recurring reminder.

Virtual Pediatric Grand Rounds

Children's Hospital
New Orleans
LCMC Health

The LSUHSC Pediatric Emergency Medicine Division and Dr. Raghubir Mangat's Nick Gagliano Professorship in Pediatric Emergency Medicine presents:

"Change and Conflict: Is This Our New Reality?"

Wednesday, January 25, 2023

Large Conference Rooms, Noon

You may join Pediatric Grand Rounds from your computer, tablet, or smartphone:

To receive CME or CEU Credit in person or online, you **MUST** register through EventBrite.

Register here: <https://www.eventbrite.com/o/chnola-office-of-medical-education-34140724807>

Zoom link: <https://lsuhsc.zoom.us/j/95665388600>

Meeting ID: 956 6538 8600

Note: This is a live activity. The link is only valid from noon – 1:00 PM and the presentation will not be recorded for CME or CEU credit. Please register and join the activity via EventBrite.

*About the presentation:
Leaders are judged in
times of adversity and
change, not in times of
success. Change is very
much a part of our
everyday lives. Change
leadership, the ability to
guide through change, is
an essential skill.*

Dr. Tracy Sanson is a practicing emergency physician. She is a consultant and educator on leadership development and medical education.

A national and international speaker, Dr. Sanson also serves as a core faculty member for the American College of Emergency Physicians. Dr. Sanson has consulted and lectured internationally on administrative and management issues, leadership, professionalism, communication, patient safety, brand development, personal development, women's issues, and emergency medical clinical topics for a wide range of healthcare organizations.

Dr. Sanson's experience spans more than twenty years in Emergency Medicine Education and ED management. She has held director positions in the US Air Force, University of South Florida, and TeamHealth.

Dr. Sanson trained at the University of Illinois at Chicago for medical school and her emergency medicine residency. She is the proud mother of three daughters.

Objectives: At the conclusion of this activity, participants should be able to:

1. Recognize the personal and emotional difficulties people have with change.
2. Encourage trust and wellness in their organization.
3. Effectively lead through periods of disengagement and crisis.

Intended audience: This activity is specifically directed towards the pediatrician, but it is open to all other interested physicians, residents, medical students, and allied health professionals.

Accreditation

Children's Hospital New Orleans is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

Designation

Children's Hospital New Orleans designates this live activity for a maximum of 1.0 AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

CNE statement: Children's Hospital is approved as a provider of nursing continuing professional development by Louisiana State Nurses Association, an accredited approver by the American Nurses Credentialing Center's Commission on Accreditation. Provider #4003155. To receive credit, you must attend the entire program and submit a post program evaluation.

To receive CME credit, use this link to register:

<https://www.eventbrite.com/o/chnola-office-of-medical-education-34140724807>

If you do not need CME credit, log in through the Zoom link:

<https://lsuhsc.zoom.us/j/95665388600>

Meeting ID: 956 6538 8600

View the *Tuesday Tidbits* archive on the department's website. ([link](#))

Department of Pediatrics | LSUHSC

Your copy should address 3 key questions: Who am I writing for? (Audience) Why should they care? (Benefit) What do I want them to do here? (Call-to-Action)

Create a great offer by adding words like "free" "personalized" "complimentary" or "customized." A sense of urgency often helps readers take an action, so think about inserting phrases like "for a limited time only" or "only 7 remaining"!
