LSU Pediatrics Announcements

2023 PedsENDO Discovery Program

The **PedsENDO Discovery Program** is part of a multi-prolonged approach to address workforce shortage in pediatric endocrinology. This year, the Pediatric Endocrine Society is supporting the attendance of 10 medical students and first year residents at the PES Annual Meeting that will be held May 5-8, 2023 in San Diego, CA. The program will cover registration fees and up to \$1,200 in travel expenses for the selected students/residents.

Please consider nominating medical students and first year pediatrics (or medicine-pediatrics) residents that you have interacted with, and who have expressed an interest in Pediatric Endocrinology. An overview of the program and application instructions can be found [here](#).

Submission Deadline: Thursday, January 5, 2023

Book Drive: LSU & Tulane Resident Clinic

The LSU and Tulane Residents will be holding a drive to collect books for patients. New or gently used books in Spanish or English appropriate for any age will be accepted. Books will be collected through **January 8** and boxes will be available in the resident lounge and physician's lounge.

If you would prefer to donate cash, please venmo@**kayla-griese**. All donations will be put towards new books for the children and families who need them. Thank you for your support!

2023 LA CaTs Underrepresented Minority Roadmap Scholars Program

The Louisiana Clinical and Translational Science Center is committed to advancing the diversity among the scientific workforce in Louisiana and the research and career development of all people. Despite tremendous advancements in scientific research; information, education, and research opportunities are not equally available to all. To ensure equal access to training opportunities, The LA CaTS Professional Development Core is pleased to announce a request for applications for the **LA CaTS 2023 Underrepresented Minority Award**.

One UMRS will be chosen each year. Applicants should hold an MD, DO, PhD, DDS, or PharmD. Applicants may be current members of the faculty or candidates for appointment to the faculty (prior to July 1, 2023) at any LA

CaTS Institution. An in depth overview of the program and application instructions can be found [here](#). For questions, contact the LA CaTS Professional Development Core at CareerDevel@LACaTS.org.

Application Deadline: Thursday, February 1, 2023, 5pm

Share Your News!

The department wants to highlight your success! Please send any news to include in *Tuesday Tidbits* to [Taylor Rogge](mailto:Taylor.Rogge).

FACULTY DEVELOPMENT

New video monthly

January Video: Thinking Like a Doctor

How do we teach learners to "Think Like a Doctor"? How do we help learners get from data to diagnosis and treatment? How do we teach Clinical Reasoning Skills? This video (8 minutes) breaks down how experts synthesize information to make medical decisions, and how we can teach our medical students and residents to move past "novice" thinking patterns. Let's kick off 2023 with a renewed commitment to excellence in medical education!

<https://vimeo.com/73003540>

Please send any suggestions or areas of faculty development need to acree1@lsuhsc.edu.
