

Clerkship Preparation Course – 2 weeks

Topic: Human Research

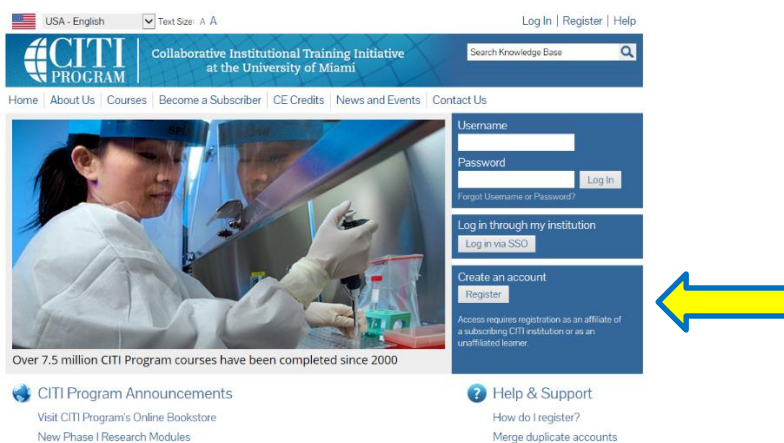

Rationale for issue: **Some graduates will become involved in clinical trials or will treat patients who have been enrolled as subjects in research trials.**

Access online tutorial for training in Human Subjects Protection Program – LSUHSC-NO IRB Dr Kratz & CO have joined (CITI) Collaborative institutional Training Initiative.

There are hundreds of modules at this site. Staff and I have created an L3 learning module captioned: L3 course- Joanne Marier which contains 4 modules & questions.

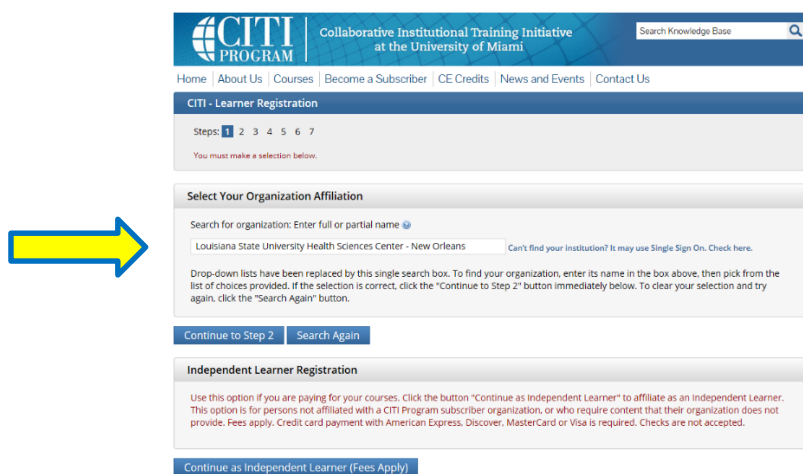

Access as follows:

- 1- Select or copy the following link: <https://www.citiprogram.org/>
Once you have reached the CITI Program homepage, select **Register**.

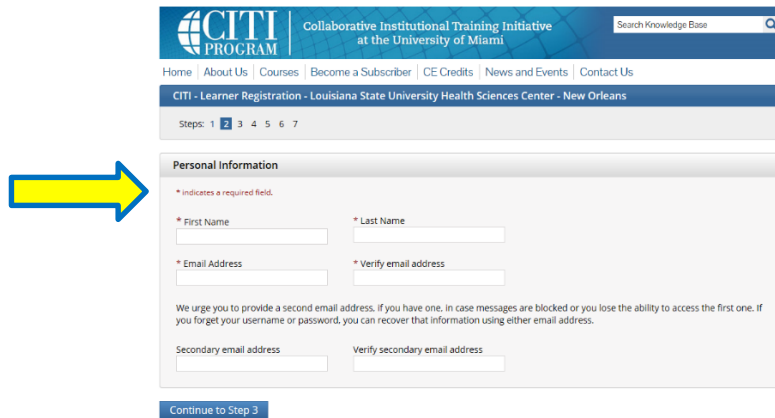

The screenshot shows the CITI Program homepage. At the top, there is a navigation bar with the CITI Program logo, the text "Collaborative Institutional Training Initiative at the University of Miami", and a search bar. Below the navigation bar, there is a main content area with a large image of a person in a lab coat. To the right of the image, there is a login section with fields for "Username" and "Password", a "Log In" button, and a link for "Forgot Username or Password?". Below the login section, there is a "Log in through my institution" section with a "Log in via SSO" button. At the bottom of the login section, there is a "Create an account" section with a "Register" button. A yellow arrow points to the "Register" button. Below the main content area, there are two columns of links: "CITI Program Announcements" and "Help & Support".

- 2- Within the available institution text field, type:
Louisiana State University Health Sciences Center - New Orleans
Then select, **Continue to Step 2**

The screenshot shows the CITI Program Learner Registration page. At the top, there is a navigation bar with the CITI Program logo, the text "Collaborative Institutional Training Initiative at the University of Miami", and a search bar. Below the navigation bar, there is a main content area with a heading "CITI - Learner Registration" and a progress indicator showing "Steps: 1 2 3 4 5 6 7". Below the progress indicator, there is a section titled "Select Your Organization Affiliation" with a search box containing "Louisiana State University Health Sciences Center - New Orleans". Below the search box, there is a "Search Again" button. A yellow arrow points to the "Search Again" button. Below the search box, there is a section titled "Independent Learner Registration" with a "Continue as Independent Learner (Fees Apply)" button.

3- Complete all required Personal Information, then select **Continue to Step 3**

6- Complete all required information, then select **Continue to Step 6**
CEU credit will not be provided for this course. Please select "No" for this option.

*** Are you interested in the option of receiving Continuing Education Unit (CEU) credit for completed CITI Program courses?**

CITI is pleased to offer CE credits and units for purchase to learners qualifying for CE eligibility while concurrently meeting their institutions training requirements.

CE credits/units for physicians, psychologists, nurses, social workers and other professions allowed to use AMA PRA Category 1 credits for re-certification are available for many CITI courses - with that availability indicated on course and module listings. Please register your interest for CE credits below by checking the "YES" or "NO" dots, and, when applicable, types of credits you wish to earn at bottom of page. Please read texts entered for each option carefully.

Yes
At the start of your course, you will be prompted to click on a "CE Information" page link located at the top of your grade book and to VIEW and ACKNOWLEDGE accreditation and credit designation statements, learning objectives, faculty disclosures, types, number and costs of credits available for your course.

Yes

No
The CE functionality will not be activated for your course. Credits and units will therefore not be available to you for purchase after you start your course. You can change your preference to "YES" before such time however by clicking on the "CE Credit Status" tab located at the top of your grad book page.

No

If you picked "YES", please check below the one type of credit you would like to earn

MDs, DOs, PAs - AMA PRA Category 1 Credits TM
 Psychologists - APA Credits
 Nurses - ANCC CNE
 Other Participants - Certificates of Participation
 Social Workers - Florida Board of Clinical Social Work, Marriage & Family Therapy and Mental Health Counseling

*** Can CITI Program contact you at a later date regarding participation in research surveys?**

Yes
 No
 Not sure. Ask me later

8- Select, **L3 Course, Joanne Marier**
Then select **Complete Registration.**

*** Question 1**

Human Subjects Research

Please choose one learner group below based on your role and the type of human subjects activities you will conduct. You will be enrolled in the Basic Course for that group.

Choose one answer

Biomedical Research Investigators: Choose this group to satisfy CITI training requirements for Investigators and staff involved primarily in Biomedical research with human subjects.
 Biomedical Refresher Course: Choose this group if your training has expired & you have been told to take the Refresher Course.

Social & Behavioral Research Investigators: Choose this group to satisfy CITI training requirements for Investigators and staff involved primarily in Social and Behavioral research with human subjects.
 Social & Behavioral Refresher Course: Choose this group if your training has expired & you have been told to take the Refresher Course.

IRB Members: This Basic Course is appropriate for IRB or Ethics Committee members.

L3 Course, Joanne Marier
 Supplemental Training Social/Behavioral Learner Group—IRB
 Inter 220-Ethics in the Biomedical Sciences
 Supplemental Training HIPAA/Biomedical Learner Group—IRB
 I only work with Lab Animals and do not require a human research course

Personnel new to LSUHSC-NO who are working with lab animals must contact the institutions veterinarian in the Division of Animal Care, who will assign the appropriate lab animal courses. Register for assigned courses in Question 3.

Question 2

If you want to take Good Clinical Practice (GCP) please make your selection below.

Choose one answer

GCP - Drug Development
 Drug Development Refresher Course Choose this group if your training has expired & you have been told to take the Refresher Course.
 GCP - Device Development
 Device Development Refresher Course Choose this group if your training has expired & you have been told to take the Refresher Course
