LSU Pediatrics Announcements

Dr. Barkemeyer Honored as Master Pediatrician at LA AAP

Join me in congratulating Dr. Brian Barkemeyer who was honored this weekend with the "Master Pediatrician Award" from the Louisiana Chapter of the American Academy of Pediatrics. A "Master Pediatrician" is defined by the LA-AAP as "a superb clinician who over many years (at least 20* years of practice) has contributed to the health and welfare of children in Louisiana through direct patient care and child advocacy, while educating and serving as an outstanding role model to students and young physicians." Brian certainly exceeds those criteria. See also a list of past Master Pediatricians and my letter of nomination which defines a few of the many things Brian does for our Department, University, State and Region. ([List of Past Master Pediatricians](#)) ([Nomination Letter](#))

Raymond G. Watts, MD

Dr. Barkemeyer and his family at the LA AAP Conference.

Many members of the department participated in the annual conference with oral and poster presentations. The oral presentations included:

Palliative Care for Louisiana Kids - It May Not Be What You Think it Is
Alexis Morvant, MD, MA, FAAP

*Newborn Screening for Severe Combined Immunodeficiency
and
Approach to the Child With Too Many Infections*
Luke Wall, MD, FAAP

Providing Quality Care to Sexual Minority Adolescents
Ryan Pasternak, MD, MPH, FAAP

A Case of Neonatal Herpes in the Setting of Maternal Herpes Mastitis
Tyler Kingdon, MD (pictured below)

The poster presentations included:

A Case Report of Mercury Poisoning Presenting with Neurologic Manifestations, Desquamating Rash, Tachycardia, and Hypertension
Kelly Angelle, Jamie Yeager, Maury Williams, Courtney Styres, Shannon Palombo

Benign Recurrent Intrahepatic Cholestasis
Michael Carver and Patricio Arias

Infant Presenting with Failure to Thrive Found to Have Renal Tubular Acidosis
Michael Carver, Ivonne Iglesias, Patricio Arias

*Fever and Pancytopenia Following Epstein-Barr Virus Infection –
A “Can’t Miss” Diagnosis*
Aaron Kala, Evan Davis, Chelsey Sandlin

Undiagnosed Maternal Hyperparathyroidism Causing Hypocalcemia and Neonatal Seizures
Ryley McPeters, Nikita Lalchandani, Trent Davidge, Peter Morreale, Matthew Keane

A Case of Bronchopulmonary Sequestration in a Newborn
Ryley McPeters, Elvira Chiccarelli, David Manning, James Krulisky

Methemoglobinemia in an Infant with Diarrhea and Acidosis
Sarah L. Short, Jinnesse Taylor, Edwin Frieberg

Alternative Etiology for Viral Parotitis
Janet Smith and Raghubir Mangat

Fanconi Syndrome: How to Determine the Cause Without a Crystal Ball
Courtney Styres, Angelina Dixon, Caroline Straatmann

Differentiating Between Two Clinical Diagnoses: SLE and sJIA
Courtney Styres, Angelina Dixon, Isa Ashoor

Abnormal Vasculature Findings in Menkes Disease: A Case Report
Tat Yau, Laura DeLatin, Jerusss Aita-Levy

New Women Physician Leadership Forum

Dr. Bonnie Desselle is leading a new monthly Forum for our Women Faculty. Participants will 1) learn and acquire new skills and attitudes 2) develop peer mentorship/sponsorship 3) network and socialize, improving camaraderie and 4) problem solve group and individual challenges. The overall goal is to increase the number of women physician leaders in healthcare.

Casey Faust of the LCMC HR Organizational Development Office spoke at the first meeting last week and shared how LCMC can support our group initiatives and the specific type of workshops that can be tailored to our needs.

The next meeting's topic is *"Positive Psychology: How Optimism Fuels Success in Work and Life"* and will take place Friday, August 30th at 12:00 pm in 2 Center.

DEA SCAM CALLS

Please see the attached press release from the DEA. Physicians have been the target of scam calls from criminals posing as DEA personnel. When contacting practitioners the criminals may have NPI or State license numbers. Members of the general public have also been the target of similar scams. ([PDF](#))

Medical Student Research Committee

Would you like to help LSUHSC advance its name in the research realm? A new medical student group on campus called the Medical Student Research Committee is working to do so, but we need your help. One of our main goals is to provide a centralized source of potential research projects proposed by faculty here at LSUHSC and a list of all the researchers who have worked with medical students before. We are working with Dr. Gregory, the Assistant Dean of Medical Student Research.

How can you help?

- We are building a list of all faculty researchers who are involved with medical students. It simply lists your name, specialty, research interests, and email to allow students to contact you if they are looking for a research project or have a project that they think you may like. Add your name to the researcher form below if you want to be listed. If you have colleagues who do research with medical students, please forward this to them and tell them to fill out the researcher form below. The database is private and only accessible by LSUHSC medical students who are members of our organization.
- Secondly, we have created a project submission form for researchers who have an idea for a project and want a medical student to work on it. All submitted ideas will be forwarded to the members of our organization so that they can contact you. We have a website to begin collecting projects ideas from faculty (link below) and were wondering if you could forward/disseminate this to your colleagues that take part in research.
- Lastly, please spread the word of our organization throughout your department.

Our website: www.lsuhsoc-msrc.com

Project Submission: <https://www.lsuhsoc-msrc.com/projects submission>

Researcher List Submission: <https://www.lsuhsoc-msrc.com/researcher-submission>

LA CaTS 2019 Mock Study Section - Register by September 4th! ([information](#))

Jonathan Chawla, representing Healthy Tigers Club, picked up second harvest summer food program meals from the former Tigercare clinic site last month and delivered them to donate to Covenant House.

FACULTY DEVELOPMENT

New video monthly

August Video: *One Minute Preceptor*

The "One Minute Preceptor" is a great technique for teaching all levels of learners in a very quick (1 -3 minutes) way. It works great in diverse clinical settings. This video breaks down the technique with examples. A short investment in the time to watch - 7 minutes - can save you time each day and help us continue to excel in medical education.

Department Wellness

Department Picnic

Mark your calendars! The Department’s 3rd Annual Picnic is set for Sunday,

September 22 at Audubon Park, Shelter #10 (the usual spot) from 11:30am - 2:30pm. There will be lots of BBQ and snoballs!

Bootcamp Class: Children's is offering FREE bootcamp classes on Tuesday evenings from 5:30-6:30 p.m. outside the Conference Center. Class is open to all Children's employees and members of the medical staff. This one-hour interval training bootcamp is for all skill levels. No experience is necessary. You will gain confidence in your abilities and increase your capacities for stamina, strength, flexibility, and balance. Please bring a water bottle with you to class.

Weekly Walk in Audubon Park - Another weekly opportunity for exercise and fellowship with your colleagues is Walk with the Execs. Every Wednesday, you can meet members of our executive team in the Lauricella Pavilion at 5:30 pm for a walk to and through Audubon Park. We hope to see you next week!

Department Anniversaries

The following employees celebrate another year with the department this month. Thank you for your continued service to LSU Pediatrics!

Diego Aviles, 25 years
Hong Xin, 21 years
Gary Duhon, 20 years
Jerussa Aita-Levy, 19 years
Caroline Straatmann, 4 years
Nihal Godiwala, 3 years
Elizabeth Wisner, 2 years
James Krulisky, 1 year
Alexis Morvant, 1 year
