**Stuart Slavin MD, MEd** is Senior Scholar for Well-being at the Accreditation Council for Graduate Medical Education (ACGME). A graduate of Saint Louis University School of Medicine, Dr. Slavin completed his residency training in pediatrics at UCLA and then served as a faculty member there for seventeen years before returning to Saint Louis University as Associate Dean for Curriculum.

While at SLU, Dr. Slavin led efforts to improve the mental health of medical students that produced dramatic decreases in rates of depression and anxiety in pre-clerkship students. He joined the ACGME in 2018 and is helping to lead efforts to improve the mental health of residents and faculty across the US.

### Objectives

At the conclusion of this activity, participants should be able to:

1. Identify common mindsets and automatic thoughts that can contribute to distress
2. Identify and describe environmental factors in medicine that can contribute to distress
3. Describe the three steps of cognitive restructuring.

**Intended audience:** This activity is specifically directed towards the pediatrician, but it is open to all other interested physicians, residents, medical students, and allied health professionals.

**CME statement:** Children's Hospital is accredited by the Louisiana State Medical Society to provide continuing medical education for physicians. Children's Hospital designates this live activity for a maximum of **1.0 AMA PRA Category 1 Credit™**. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

**CEU statement:** Children's Hospital is approved as a provider of nursing continuing professional development by Louisiana State Nurses Association, an accredited approver by the American Nurses Credentialing Center's Commission on Accreditation.
